The Surrounding

- Cabin is located at Country Quiet Campground, where many of the residents are seasonal campers. With a quiet surrounding near a variety of lakes, the options are endless for your getaway.
- Rice Lake and Cumberland are both less than 15 miles away and both provide great exploration, shopping, and dining.
- Or take in the surrounding at the campground at your private fire pit and outside propane grill. Firewood can be purchased at the campground and it is prohibited to bring in outside wood for burning.

Additional Information

- Sheets and towels are provided at an additional cost, you are more than welcome to bring your own in.
- Cabin has a heater and air conditioner for your use. Please remember to keep the windows closed if utilizing one.
- We have exceptional well water, no need to bring bottled water.
- Wifi is located within the campground office, and can be accessed with a single \$5 purchase
- Please check in to office upon arrival for keys to cabin.
- There is a TV and DVD player within the cabin, however the TV is only connected to an external antenna. There is a large collection of DVDs you are welcome to check out free of charge within the office.
- Quiet hours are from 10pm to 9am
- Pets are allowed for an additional fee of \$25
- NO Smoking within the cabin

Check Out Procedure

We hope you find the cabin as you expect it. We would appreciate you and your guests' cooperation in a couple of areas that will make your stay safe and enjoyable. These will also keep our cabin in the condition that you expect.

- Check out is promptly before noon - no exceptions as we have a turnover of cabins.
- Remove sheets and pillowcases from beds used and place all linens at the foot of the bed. Please leave mattress pad in place. DO NOT MAKE UP ANY BEDS THAT WERE SLEPT IN. Soiled towels are to be placed on the floor in the bathroom.
- Take all food out of the refrigerator and dispose of it properly. Please take bathroom garbage and kitchen garbage outside garbage can on porch upon checkout.
- There is NO SMOKING allowed inside the rental homes. Please smoke outside on the decks and properly dispose of the butts.
- Please clean all dishes before leaving. You may leave them in the drying rack when checking out.
- If you use the grill, please clean and re-cover it with provided cover. Please let management know if you run out of propane.
- Please remove dirty shoes when entering the cabin. The floors were recently replaced and we would love to keep them in their great condition.
